To,  
Dear Dr. Arvind Kumar Sharma, IPC  
Executive President, IOED,  
New Delhi.

Glad to see your mail dated 02<sup>nd</sup> June 2016 and to note your commendable activities in enriching our society by imparting various training programmes / skill development programmes through your dedicated advisors / members and associate organizations not only to our Indian society but also globally.

As the representative of Ongole Lok Sabha Constituency, I have given top priority to provide suitable employment to skilled and educated unemployed youth in my constituency. In this context I have also organised two Job-Melas in my constituency in the years 2015 and 2016. Approximately 45 organizations participated and 7500 unemployed educated youth have been attended in the both Job-fairs and 1500 youth have been given suitable placement in different organizations as per their qualification.

The above Job-fairs gave me a room to re-think that simply providing occupation to very few numbers of youth and leaving rest of the unselected youth unattended is not fair. I noticed that a majority of the unemployed youth lack presentation skills or lack of soft skills etc. A large majority of the youth are highly qualified professionals with degrees from professional courses like B.Tech, M.Tech, M.C.A, B.C.A, B.Pharm, M.Pharm, Agricultural Engineering and Bio-Tech. To address this issue and provide maximum employment I am proposing to start a skill and Entrepreneurship development centre to cater the needs of youth in the Ongole Constituency.

In this context, we would be delighted to invite you to visit our proposed Skill Development Centre at Ongole so that the maximum number of educated youth may be benefitted in my constituency from your expertise.

To address the above specific requirement you may contact me or send your advisor / members to my constituency for preliminary understanding about our skills centre.

Your early action is solicited in the matter.

Best Regards

(Y.V. SUBBA REDDY)
